NARRATIVE:

Sandoval has an extensive adult criminal history that began at the age of 18 and includes convictions possession of narcotic controlled substance, vehicle theft with prior, evading peace officer, failing to register as a sex offender pursuant to PC290, multiple suspended license, multiple DUI with alcohol, multiple burglary, and child molesting with prior. Sandoval has served multiple state prison terms, the longest a three (3) year term for vehicle theft with prior. Sandoval was released from state prison to the supervision of the Los Angeles County Probation Department on February 05, 2013. Under the Governor's Public Safety Realignment Act of 2011, better known as Assembly Bill 109 (AB 109) the responsibility of lower-level offenders was shifted from the State to Los Angeles County. He subsequently failed to report to his probation officer and an arrest warrant was issued in February 2013 after Sandoval absconded from post release community supervision (PRCS). Sandoval qualified to be released to the supervision of probation, under AB 109, because his current commitment offense for vehicle theft with prior is defined as non-serious and non-violent under the California penal code. Sandoval is required to register as a sex offender pursuant to PC290. His prior criminal history and current failure to comply with the terms of release make him a most wanted.
